

## YARD REAAS: ANDREA RADICE APPOINTED *CHIEF OPERATING OFFICER*

Milan, January 24, 2023 - Andrea Radice has been appointed as the new *COO* of YARD REAAS, leader in Italy in real estate consulting and integrated management of real estate services, effective from January 1, 2023.

Graduated in Architecture at the Politecnico University of Milan, Andrea brings with him a wealth of experience in roles of increasing responsibility in the real estate sector, with a particular focus on *Investment, Valuation & Advisory*.

In 2015, he joined REAAS as a *Partner and Head of Project Management*, and in 2020, following the integration of REAAS with Yard, he took on the role of *Head of Operations*.

«*I am delighted that the Group can benefit from Andrea's extensive experience*» stated **Emanuele Bellani**, *CEO* of YARD REAAS, «*and I am convinced that, thanks to his in-depth knowledge of the company, he will be able to accelerate the consolidation process of the business units, contributing to strengthening the frontline management, also in view of the implementation of the recently shared strategic international initiatives*».

**Andrea Radice**, *COO*, commented: «*I would like to thank Emanuele Bellani and the Top Management of the Group for the full trust they have placed in me, as well as my colleagues, with whom we are daily committed to responding more effectively to the growing market demands, aiming to enhance our leadership. My new role is made even more stimulating by the opportunity to provide our clients, both Italian and international, with high-value-added solutions through integrated consultancy, with medium/long-term strategies aimed at enhancing investment profitability and safeguarding assets and the environment*».

## **YARD REAAS GROUP**

YARD REAAS is an independent group, leader in Italy in real estate consultancy and integrated management of real estate services. In synergy with Yard CAM S.r.l. and Yard RE S.r.l., subsidiaries of the Group, it operates both in the institutional market and in the distressed segment for the main players in the sector: Italian and foreign investors, banks, AMCs/funds, industrial groups, private equity and family office funds.

It boasts over 30 years of experience in the technical (due diligence, project management & monitoring), environmental, valuation and building management sectors. In the ESG (Environmental, Social, and Governance) field it was in 2015 the first real estate consultancy firm registered in Italy for PRI – Principles for Responsible Investment.

It counts around 200 resources, a network of 500 technicians and around €43 million in revenue. The Group is present in Italy with offices in Milan (the headquarters) and Rome, and abroad in the UK and France, with its London and Paris offices.
